NUTCRACKER

Ballet Nutcracker in two parts. A beautiful Christmas fairy tale with music by P.I. Tchaikovsky, a story full of suspense about the girl Clara, who has to face her dreams and fears and find her strength on the way to growing up

In the Pas de trois of Act 2, the Nutcracker and Mouse King figures represent Clara's feelings. Mouse King represents feelings of fear, and courage is represented by Nutcracker, which she feels in this particular transitional stage of life: adolescence and becoming an adult. Choreography by Olga Anikeyenko & Laure Courau.
